

Marion Recreation Youth Sailing Lessons

For children going into grades 4-8

The instructor will call you to set up class times.

The Marion Recreation Committee is pleased to offer beginner sailing lessons. You don't need to know anything about boats to participate. The goal of this program is to make sure that every Marion child who wants to sail, can.

You will be given 12 hours of lesson aboard a 15' Bullseye which will sail around Sippican Harbor and have two or three students and the instructor, Andrew Chin, on board. Andrew has taught sailing in local programs for five years and sailed in college. Classes will be held on Mondays and Wednesdays mornings. Students will be taught about boat safety and knot tying as well as sailing and rowing. In the event of dangerous weather, the class will be cancelled. Classes will run for two hours and are held on Mondays and Wednesdays for three weeks. You may sign up with a friend if you wish.

All sailors must demonstrate an ability to swim in a competent manner for 100 yards fully clothed. Please see Peter, the swimming instructor at Silvershell Beach for your swimming test.

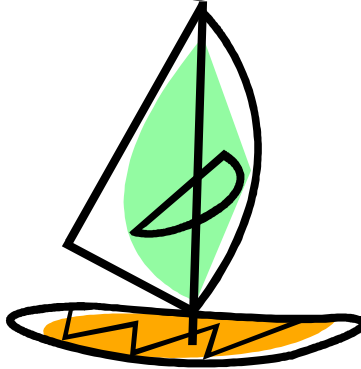

Participants must wear a PFD (personal floatation device) from the time he/she stops on the dock until he/she is once again on solid ground.

The actual cost of the sailing lessons is over \$120 per pupil. That does not include the value of the work donated by volunteers and Burr Bros. Boat Yard. Marion Recreation holds an annual road race in order to raise money for Marion children who need scholarships. In order to accommodate all interested children, there is a sliding fee schedule. Please choose the fee which is most appropriate for you **\$75, \$100 or \$120**. Please remember that it cost \$120 per participant. If there is space available, non-residents may participate at the \$120 fee.

Sailing classes will meet at Island Wharf, which is the pier near the Band Stand. Classes will start promptly and students will be returned to the dock at the end of the lesson; the instructor will not wait for parents to pick up their children.

We will sail if it is raining, be prepared to get wet. All sailors must wear a good fitting lifejacket, closed toe shoes, sunscreen and bring along sunglasses, water bottle and hat.
