

## Marion Mile Week#4 Results

The few the proud. Steady rain all day finally let off in time for this week's race and 45 runners arrived to slosh through the wet fields. Times were certainly slowed by the wet surface, but our first boy and girl still broke six minutes and seven minutes on the course. David Friedman chalked up his third win in three attempts this summer and newcomer Erica Haverty of Witinsville, Mass finished five seconds ahead of Marion's Gwen McCain as the first girl finisher.

Note to runners: We will try to run each week as long as it is not pouring rain or thunder and lightning at race time. One race has been added on to the end of the series to make up for the rain out on week 2.
