

Marion Mile Week 7

The seven week Marion Mile summer series concluded this week with some great performances and many personal bests for the summer. David Friedman and Lulu Russell were the individual winners once again. David won every race this summer and finished with his fastest time of the summer at 5:40. Ten year old Lulu ran a 7:19 for her third win of the summer. Trophies were awarded to the age group winners and second and third place age group finishers received medals. Six year old Mia Hemphill and seven year old Drew Hiller won trophies for demonstrating the most improvement.
